

10. Substitution of Annexure A of the Regulations

The following Annexure is hereby substituted for Annexure A of the Regulations:

"ANNEXURE A

SCHEDULE 1

PRINCIPLES FOR AIRTIME ALLOCATION IN RESPECT OF PEBS

The allocation principles in Table 1 below will apply if there are sufficient PEB slots to accommodate all the contesting political parties and independent candidates.

Table 1

<p>Basic Allocation</p> <p>Percentage of slots to be allocated to all political parties and independent candidates contesting seats in the Municipal Elections.</p>	60%
<p>District Municipalities List</p> <p>Percentage of slots to be allocated according to the number of candidates fielded by parties on the District Municipalities list.</p>	15%
<p>Local Municipalities List</p> <p>Percentage of slots to be allocated according to the number of candidates fielded by parties on the Local Municipalities list.</p>	15%
<p>Proportional representation</p> <p>The number of seats currently held at District and Local level.</p>	10%

The allocation principles in Table 2 below will apply if there are insufficient PEB slots to accommodate all the contesting political parties and independent candidates.

Table 2

<p>Basic Allocation</p> <p>Percentage of slots to be allocated to all political parties and independent candidates contesting seats in the Municipal Elections.</p>
<p>District Municipalities List</p> <p>Percentage of slots to be allocated according to the number of candidates fielded by parties on the District Municipalities list.</p>
<p>Local Municipalities List</p> <p>Percentage of slots to be allocated according to the number of candidates fielded by parties on the Local Municipalities list.</p>
<p>Proportional representation</p> <p>The number of seats currently held at District and Local level.</p>
